MISSION SPONSORSHIPS

ADOPT-A-ROOM

Give a seriously ill child what they need most: their family close by their side in a safe, warm, comfortable home away from home. We never ask any family to pay for their stay, and your partnership will help offset the cost of housing and supporting families.

Opportunities beginning at \$5,000 with multi-year commitments. See one-pager for details.

ADOPT-A-FAMILY

Adopting a family means helping us provide the gift of togetherness to a child with a life-threatening illness. Our actual cost to host a family is approximately \$150 per night, and our families stay for an average of two weeks. However, we never ask any family to pay for their stay or services. Fund a family's journey and make your impact even more meaningful.

Opportunities beginning at \$2,500. See one-pager for details.
