

## PORTLAND EAST HOUSE

Ronald McDonald House Charities Portland East House serves patients of Randall Children's Hospital on the campus of Legacy Emanuel Medical Center, The Kartini Clinic, Shriners Hospital, and other Portland area hospitals and clinics. Our House is within walking distance of Randall Children's Hospital and The Kartini Clinic, a 15 minute drive to Shriners Hospital, and is able to accommodate 25 families each night.

## SOUTH WATERFRONT HOUSE

Our new South Waterfront House at the OHSU Gary & Christine Rood Family Pavilion is just steps away from the Portland Aerial Tram and serves 38 families every night while their children are receiving care at Doernbecher Children's Hospital.

## WHAT IS OFFERED AT THE HOUSE?

Each location offers the following, and more:

- Private bedroom and bathroom
- Community spaces including kitchen, craft room, playroom, game room, living room and laundry facilities
- Home-cooked meals and activities throughout the week
- Wifi access as well as community computers
- Items to borrow including movies, video games, entertainment passes and baby items

There is no cost to stay here, although donations are greatly appreciated. We can offer one room per family. Due to high demand, we do ask that the patient's parent or legal guardian occupy the room every night of their stay.

**Contact our Family Placement Coordinator at (971) 230-6702 or [family@rmhcoregon.org](mailto:family@rmhcoregon.org) if you have any questions, need help getting a referral, or need to schedule a return visit.**

## HOW CAN I RESERVE A ROOM?

To qualify to stay at a Portland Ronald McDonald House, families must have a patient 21 years or younger that is being treated at a Portland hospital, and live more than 30 miles from the treating hospital.

- Patients under the age of 18 must be accompanied by their parent or legal guardian.
- Patients age 18–21 must be accompanied by a support person who is age 18 or older.
- Families with an unborn baby can request to stay two weeks prior to delivery, with a doctor's recommendation.

**If you meet the qualifications, please contact your child's assigned hospital case manager, social worker, or care provider to get a referral.** During the referral process, you will be asked a series of screening questions that must be answered completely.

While we do our best to accommodate every request, reservations are based on room availability.

You can make a reservation up to 30 days in advance of your child's medical appointment or hospitalization. The maximum stay for one visit is three months.
